# A SENIOR CITIZEN WORKSHOP

Putting together the pieces for a **happy life!**

Dear Senior Neighbor,  
 Many people look forward to retirement and the golden years for the peace and tranquility they envision. Unfortunately, as our residents get older, they often face issues that were not foreseen such as the loss of a loved one, increased isolation or medical problems. These issues can make what should be the golden years, a time of stress. But, there is hope and help.

Hempstead Town has joined forces with the Long Island Crisis Center to present a helpful program called, "Putting Together the Pieces for A Happy Life." Please join us for a free presentation at one of the locations listed to the left.

Sincerely,

*Kate Murray*
